CHIEF DARK HORSE FEATURES

4" Ride Command Touchscreen

The 4" touchscreen maintains a classic aesthetic by disguising itself as an analog gauge. Use it as a speedo and a tach, but it also controls ride modes, and lets you answer and decline calls.

Thunderstroke 116

The air-cooled Thunderstroke 116 produces 162 Nm of raw torque for passing power in all 6 gears. It'll catch eyes on the street and grab your soul from the saddle.

19" Machined Cast Wheel

The 19" machined cast front wheel with ABS adds to the menacing stance and will beg you to roll the throttle.

Ride with confidence.

With a low seat height, a solo saddle, and mid-mount foot pegs that keep your feet underneath you, the Chief gives every rider complete control.

Light Your Way

Full LED lighting provides great visibility to the road ahead

Features for the win

Off the line, every Chief Dark Horse comes with keyless ignition, USB charging port, cruise control, ABS, and super-sticky Pirelli Night Dragon tires.
