Indian Springfield Dark Horse 2024

ATTITUDE AND PERFORMANCE

£25,695 +OTR

from £441.97 p/m

The Indian Springfield Dark Horse is for those who want more. With a streamlined stance, powerful V-Twin engine, and sinister styling, it rides as powerfully as it looks. Adding custom style to the bike, the mid-rise handlebars come standard for a relaxed reach that feels great on the road. Inspired by the look of custom bikes, an open front fender exposes the 19" 10-spoke contrast-cut front wheel, with the iconic Indian Motorcycle headaddress leading the way. Slammed remote-locking hard saddlebags provide secure storage for weekend getaways and combined with mid-rise handlebars create a menacing profile.
