## Indian FTR Sport 2023

PRICE INCL: DEALER/MANUFACTURER PROMOTION

**£13,995** +OTR

from £248.85 p/m

Already admired for its unique styling, strong engine and great handling, the FTR is now at the top of its game when it comes to performance on the tarmac. With close attention paid to refining the engine tune, optimising suspension settings plus a steeper head angle, shorter trail and now running asphalt oriented 17” tyres and wheels; the 2023FTR delivers world-class performance and agility while feeling more compact too. Heightening its street performance credentials, all FTR models now feature the sporty profile of Metzeler Sportec tyres and fully-adjustable suspension with the flagship FTR R Carbon benefitting from top quality Öhlins units front and rear. The new engine calibration takes advantage of the running gear enhancements by refining engine performance for a smoother, more predictable throttle response as well as cylinder deactivation to manage engine heat when the motorcycle is idle. Ride Modes (Rain, Standard, Sport), Lean Angle Sensitive ABS, Stabilitiy Control, Traction Control, Wheelie Control with Rear Lift Mitigation, USB Charge Port, Cruise Control) 4.3" Ride Command LCD Touchscreen w/ Bluetooth.
